\*To take Supplemental Examination in Physiology.

### SECOND EXAMINATION—PASS.

| <i>Anatomy.</i>   | <i>Physiology.</i>           | <i>Materia Medica.</i>    | <i>Chemistry.</i>        | <i>Histology.</i> |
|-------------------|------------------------------|---------------------------|--------------------------|-------------------|
| *Rosebrugh, F. A. | *McCormack, H.<br>Rosebrugh. | Moss, F. H.<br>Rosebrugh. | McCormack.<br>Rosebrugh. | McCormack.        |

\*To take Supplemental Examinations in the following Subjects :  
*Anatomy and Materia Medica*—McCormack.      *Histology*—Rosebrugh.

### THIRD EXAMINATION—PASS.

| <i>Clinical Medicine.</i>   | <i>Clinical Surgery.</i> | <i>Obstetrics.</i> | <i>Therapeutics.</i>            |
|-----------------------------|--------------------------|--------------------|---------------------------------|
| Awde, A. E.<br>Edgar, J. W. | *Senkler, W. I.          | McKenzie, G.       | Bonltbee, A.<br>Awde.<br>Edgar. |

\*To take Supplemental Examinations in Clinical Medicine and Pathology.

### FOURTH EXAMINATION—PASS.

Irvine, Miss E., passed in all subjects.

Blackney, S., passed in all subjects except Medicine and Hygiene, in which to take a Supplemental Examination.

Mason, R. H., passed in all subjects except Medicine and Clinical Medicine, in which to take a Supplemental Examination.

### PRIMARY EXAMINATION.

Henry, F. N., passed in all subjects except Physiology and Chemistry, in which to take a Supplemental Examination.

### FINAL EXAMINATION.

Clendenan, C. W., and Sherk, F. H., passed in all subjects except Surgical Anatomy, and Therapeutics, which were not required.

Bowie, E. F., passed in all subjects except Clinical Medicine and Hygiene, in which to take a Supplemental Examination.

Lundy, P., passed in all subjects except Pathology, in which to take a Supplemental Examination.

Noble, J., passed in all subjects except Medicine and Pathology, in which to take a Supplemental Examination.

Smith, D., passed in Surgery, completing his Final Examination.

Watt, A. T., passed in Surgery and Clinical Medicine, completing his Final Examination.

# SPECIAL SUPPLEMENTAL EXAMINATIONS—ARTS.

JANUARY, 1891.

FIRST YEAR—PASS.

\* To take Supplemental Examinations before being admitted to degree, as follows :—

Dental Pathology—Matthewman.  
Dental Histology—Green.  
Anatomy—Frith ; Green ; McBride.  
Physiology—Ball ; Henderson ; Matthewman.  
Chemistry—Henderson.

# FACULTY OF MEDICINE.

## FIRST EXAMINATION.

| <i>Anatomy.</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | <i>Physiology.</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | <i>Chemistry.</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | <i>Biology.</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | CLASS III.<br>Carveth, Miss A. E.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

\*To take Supplemental Examinations in subjects of the First Year, as follows :

*Anatomy*—Becket, Coulthard.  
*Chemistry*—Laycock.

*Physiology*—Wallace.  
*Biology*—Durham.

The following are non-matriculated Students who have passed the First Year Examination :

| <i>Anatomy.</i>                                                                                                                                    | <i>Physiology.</i>                                                                        | <i>Chemistry.</i>                                                                          | <i>Biology.</i>                                                                                                |

\* To take Supplemental Examinations in subjects of the Second Year, as follows:

*Anatomy*—Towner.

*Physiology*—Alway; Laird; McNaughton; Thomson, W. P.; Towner; Wakefield; Williams.

*Materia Medica*.—Grant, J. A. C.; Story.

To take a Supplemental Examination in Zoology of the First Year:—Sanderson.

The following are non-matriculated students, who have passed the Second Year Examinations:—

- Bull, C. H.—Second-class Honors in Histology, Pass in other subjects (including First Year Chemistry.)  
 18 Smuck, W. J.—Second-class Honors in Anatomy, Pass in other subjects,

## THIRD EXAMINATION.

| Medicine.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Clinical Medicine.                                                                                                                                                                                                                                                                                                   | Surgery.                                                                                                                                                                                                                                                                                                                                                                  | Clinical Surgery.                                                                                                                                                                                                                                                                                  | Surgical Anatomy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Obstetrics.                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Pathology.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Therapeutics.                                                                                                                                                                                                                                                                                                                   |

Hilliard, W. L., obtained Second Class Honors in Medicine, Surgery, Clinical Surgery, Gynaecology, Forensic Medicine, and Medical Psychology.  
 Pass in Clinical Medicine and Hygiene.

\*To take Supplemental Examinations in Subjects of the Fourth Year, as follows:

*Medicine*—Boulbee, Heaslip, Senkler.

*Clinical Medicine*—Awde, Bowie, Henry, Mason, Senkler.

*Clinical Surgery*—Henry, Senkler, Wigle.

To take a Supplemental Examination in Third Year Surgical Anatomy: Webster, D. F.

## FINAL EXAMINATION.

(Medicine, Clinical Medicine, Surgery, Clinical Surgery, Surgical Anatomy, Obstetrics, Gynæcology, Pathology, Therapeutics, Hygiene, Forensic Medicine, and Medical Psychology.)

\*Almas, J. S.  
Beath, T.  
\*Clark, A. M.  
Fotheringham, J. T.  
\*Green, F. T.  
Hunter, W. R.  
\*Hutt, W. G.

\*Langstaff, R. L.  
Macartney, G. P.  
McCuen, J. A.  
McNeill, D. G.  
Old, F. J.  
Oldright, H. H.  
Page, T.

Potts, R. B.  
Schlenker, T. W.  
Shannon, G. A.  
\*Shirton, G. K.  
Smith, J. C.  
Third, J.  
Webster, C. A.

\* To take Supplemental Examinations in Subjects of the Final Examination, as follows :—

*Medicine*—Clark, Green, Langstaff, Shirton.  
*Clinical Medicine*—Almas, Langstaff.  
*Surgery*—Almas, Shirton.  
*Clinical Surgery*—Clark, Hutt.  
*Surgical Anatomy*—Clark.  
*Pathology*—Shirton.

---

Lundy, P., passed in Pathology, completing his Final Examination.

Noble, J., passed in Pathology, to take a Supplemental Examination in Medicine before completing his Final Examination.

---

## PRIMARY EXAMINATION.

(Anatomy, Physiology, Materia Medica, Chemistry, Histology, and Biology.)

\* Bensley, R. R.      †MacLaren, H.      Toeppen, H.

\* Without Chemistry (Inorganic or Organic), and Biology.

‡ To take a Supplemental Examination in Materia Medica.

Henry, F. N., passed in Chemistry (Inorganic and Medical), to take a Supplemental Examination in Physiology and Organic Chemistry, before completing his Primary Examination.

## FACULTY OF LAW.

---

### FIRST YEAR.

Davis, F. D., obtained Second-Class Honors in History and Political Economy, passed in Constitutional History.

---

### THIRD YEAR.

Rodd, J. H., obtained Second-Class Honors.

---

#### FOURTH YEAR.

*(Under Curriculum of 1890.)*

##### CLASS I.

Thompson, A. T.  
Woodruff, W. E.

##### CLASS III.

\*Horne, H. R.  
†Mallon, J. W.  
Peat, J. B.  
Stewart, T. B. P.  
Wilson, W. A.

#### FOURTH YEAR.

*(Under Curriculum of 1885.)*

##### CLASS II.

Clement, R. V.

##### CLASS III.

Clark, J. M.  
Hansford, J. E.  
Johnston, H. H.  
McCullough, J.  
Watts, A. E.

\*Required to take a supplemental examination in Real Property and Contracts before being admitted to Degree.

†Required to take a supplemental examination in Mercantile Law before being admitted to Degree.

## DEPARTMENT OF AGRICULTURE.

### CANDIDATES FOR B. S. A.

| <i>Chemistry.</i>                                                                                           | <i>Botany.</i>                                              | <i>Entomology.</i>                               | <i>English.</i>                                             | <i>Drawing.</i>                                                     | <i>Dairying.</i>                                                | <i>Agriculture.</i>                                                                                                |

## FACULTY OF ARTS.

### LOCAL EXAMINATIONS.

Aylwin, H. C., passed in Logic of 2nd Year, and in History, English, and Geology of 1st Year.  
 Bryan, J. T., passed in History, English and Geology of 1st Year.  
 Fairchild, E. E., passed in English and Biology of 1st Year.  
 Hamilton, R. S., obtained Second-Class Honors in Biology of 2nd Year.  
 Keys, Miss J. J., obtained First-Class Honors in French and German of 1st Year.  
 Leach, J., obtained Second-Class Honors in Classics of 2nd Year.  
 Wilkinson, F., passed in Hebrew of 2nd Year, and History of 1st Year.

# FACULTY OF ARTS.

## FIRST YEAR—HONORS.

| Classics.                                                                                                                                                                                                                                                                                                                                 | English.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | French.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | German.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Italian.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Natural Sciences.                                                                                                                                                                                                                                                             | Biology (Practical.) |

| Reid, R. L.           | Sampson.              | Sampson.              | Silcox.            | Mason, Miss E.      | Jeffrey, Miss C. E. | Boles.                     | Walks.                   | Warren.               |

The following have to pass in subjects of the Second Year at the supplemental examinations in September before proceeding to the next year of their course.

*Classics.*—Bell, T. A.; Cranston; Davis, E. B.; Manning; Martin; Menzies; Murphy; West; Young, E. R.

*Latin.*—Bull; Burchill; Cross, Miss B.; Dobie; Garratt, Miss M.; Hill, Miss E. A.; Howson, Miss E. B.; Jeffrey, Miss C. E.; Lye, Miss F. M.; McCaig; Mackenzie, K. W.; Mason, Miss E.;

*Physics.*—Anderson, W. H. K.; Burchill; Burns; Burson, Miss E. A.; Cranston; Cross, Miss B.; Davies, R. M.; Dobie; Hill, Miss E. A.; MacMillan, K. D.; Mason, Miss E.; Robertson,

S. J.; Smith, Miss C.; Young, Miss A. H.

*French.*—Balmer, Miss J.; Burton; Connor; Cushing; Fitzgerald; Gillies; Glassey; Jones; Mackenzie, K. W.; Maclean; MacVannel; Montgomery; Pratt; Ross; Simmons; Stuart; Watson; White, P.

*German.*—Clark, W.; Island; Mackenzie, P. E.; MacMillan, K. D.; More; O'Connor; Pettinger; Roach.

*Psychology.*—Anderson, W. H. K.; Buchan, Miss M. H.; Burns; Clary; Green; Martin; Murphy; Reid, R. L.; Stoddart; Wilson, P. E.

*Chemistry.*—McDongall, J. L.

# THIRD YEAR—HONORS.
